

John J. Masopust V
150 High Meadows Dr
Florence, Colorado 81226 United States
Mobile: 7195518096
Email: jjmasopustv@gmail.com

Education:

Colorado Mesa University Grand Junction, CO United States
Bachelor's degree 5 / 2024
GPA: 3.07 of a maximum 4.00
Credits Earned: 120 Semester Hours
Major: Computer Science

Skills:

- Strong analytical skills developed through coursework in computer science.
- Proficient in SQL and database management, as evidenced by projects completed during academic studies.
- Knowledge of programming languages such as JavaScript, Python, C++, HTML which can be applied to learning new software systems.
- Detail-oriented and able to manage multiple priorities, demonstrated through coursework and extracurricular activities.
- Responsible Resident Assistant with experience in handling disciplinary issues and managing student events.

Work Experience:

Independent Contract
Sky Peak Technologies
750 Main St
Grand Junction, CO
1/2024 - 5/2024
Hours per week: 10

Duties, Accomplishments and Related Skills:

- During this contract, I led a four-person team to independently obtain data on streaming media through a cellular connection on mobile devices. This data was parsed from streaming packets and stored in a PostgreSQL database. The company needed this data to show baseline data compared to what their product, "CORA", which restricts the quality

of cellular media streaming can do if not restricted. It will be used in their marketing meetings to persuade potential clients of its benefits.

Desk Attendant

Colorado Mesa University

1100 North Ave

Grand Junction, CO

8/2023 - 5/2024

Salary: USD 14.42 Per Hour

Hours per week: 12

Duties, Accomplishments, and Related Skills:

- On a daily basis I logged packages and aided residents with information on daily living significantly improving their quality of service and campus life.
- Serving as a referral agent / information provider I routinely answered questions about policies and addressed customer concerns.
- As an experienced, resident student I was able to be a resource for residents seeking guidance and help on a wide spectrum of issues that would serve to impact their experiences in a positive manner.

Resident Assistant

Colorado Mesa University

1100 North Ave

Grand Junction, CO

8/2022 - 5/2024

Hours per week: 10

Duties, Accomplishments, and Related Skills:

- Managed and advised students at Colorado Mesa University to orient and improve their residential experiences and enhance campus living.
- Created, planned, and facilitated an array of campus-wide educational, social, and recreational events meant to create a better quality of life and encourage positive participation through inclusivity in the community. These events served as social interactions that promoted community building and fostered peer support systems. Implemented creative and precise time management skills to accomplish these tasks.
- Created and maintained positive inter-personal relationships with residents by demonstrating strong communication, time management, and encouraging teamwork.
- Demonstrated strong leadership skills and excelled in conflict resolution by enforcing university and residential rules and policies through effective communication.

- Enforced the rules and policies of residential life by inspecting residential halls for safety, responding to complaints, reports, requests and emergencies while serving as a positive academic and social role model.
- Served as an informal mentor and counselor to dozens of incoming residents by guiding them through the difficult transition and emotional adjustments that come with leaving home and relocating away from family.
- Demonstrated strong leadership by facilitating cooperative and considerate group living environments of a multi-cultural group of students by using an open and caring approach that encouraged relationship development among residents.
